

everything vs squares (also symbols))

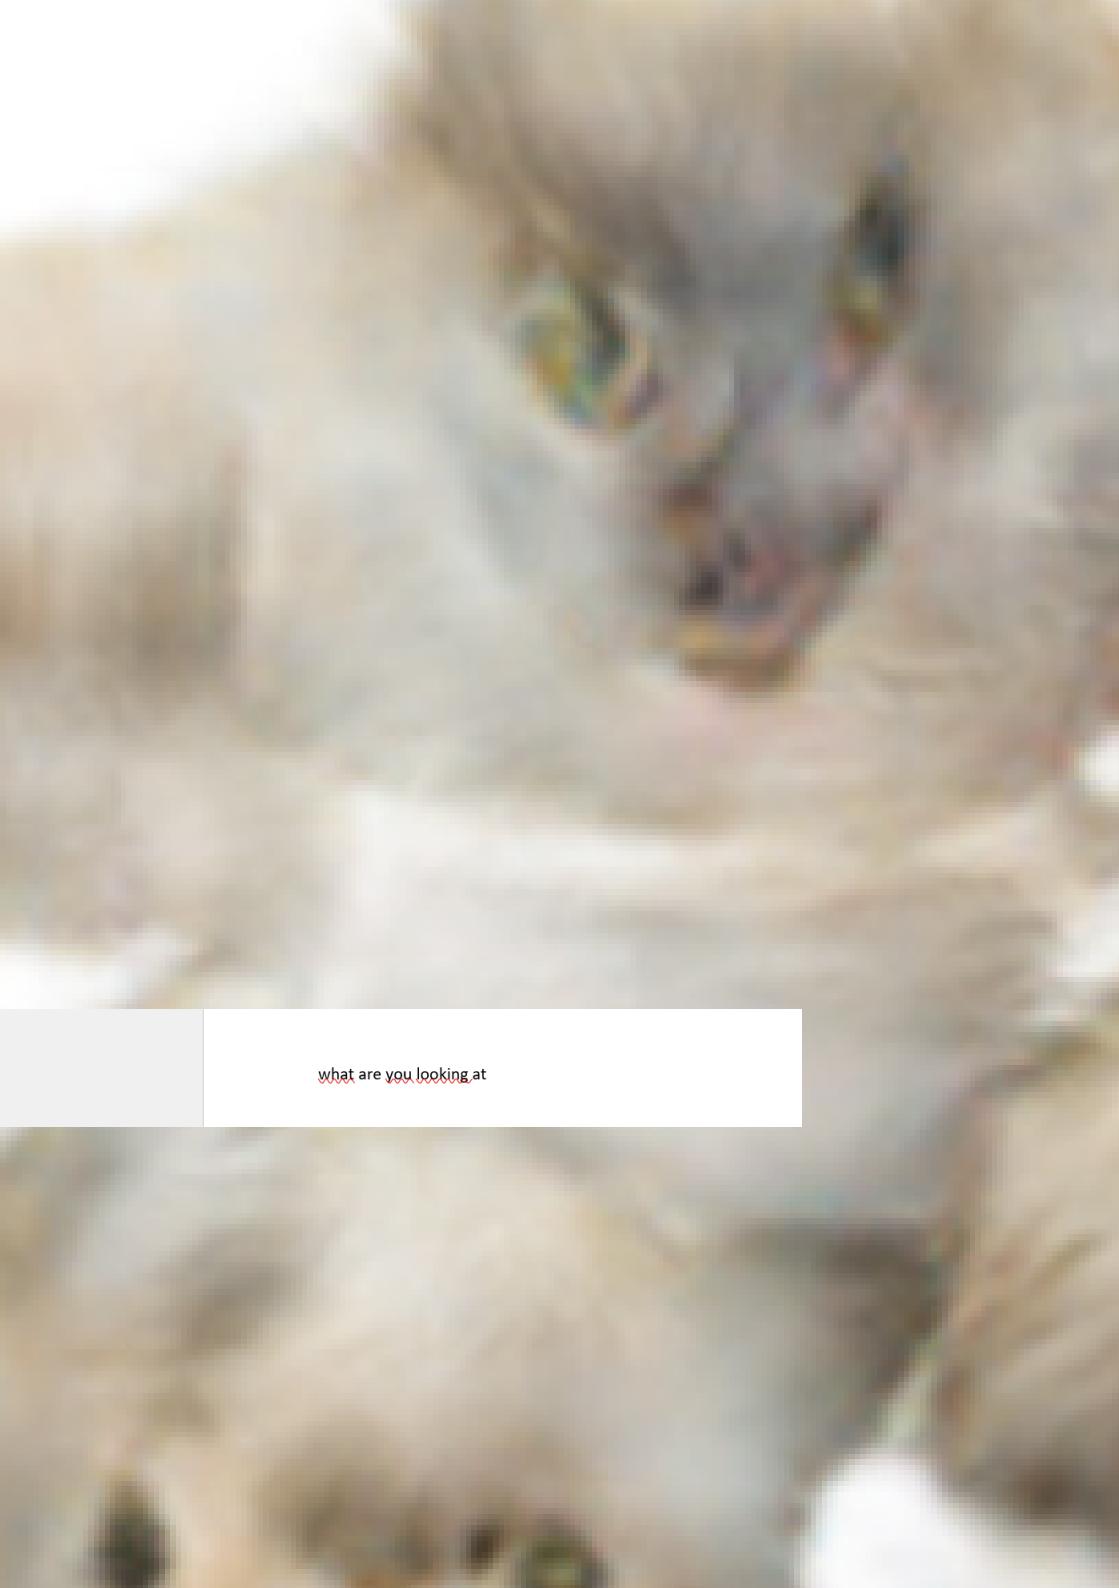

INPUT

what are you looking at

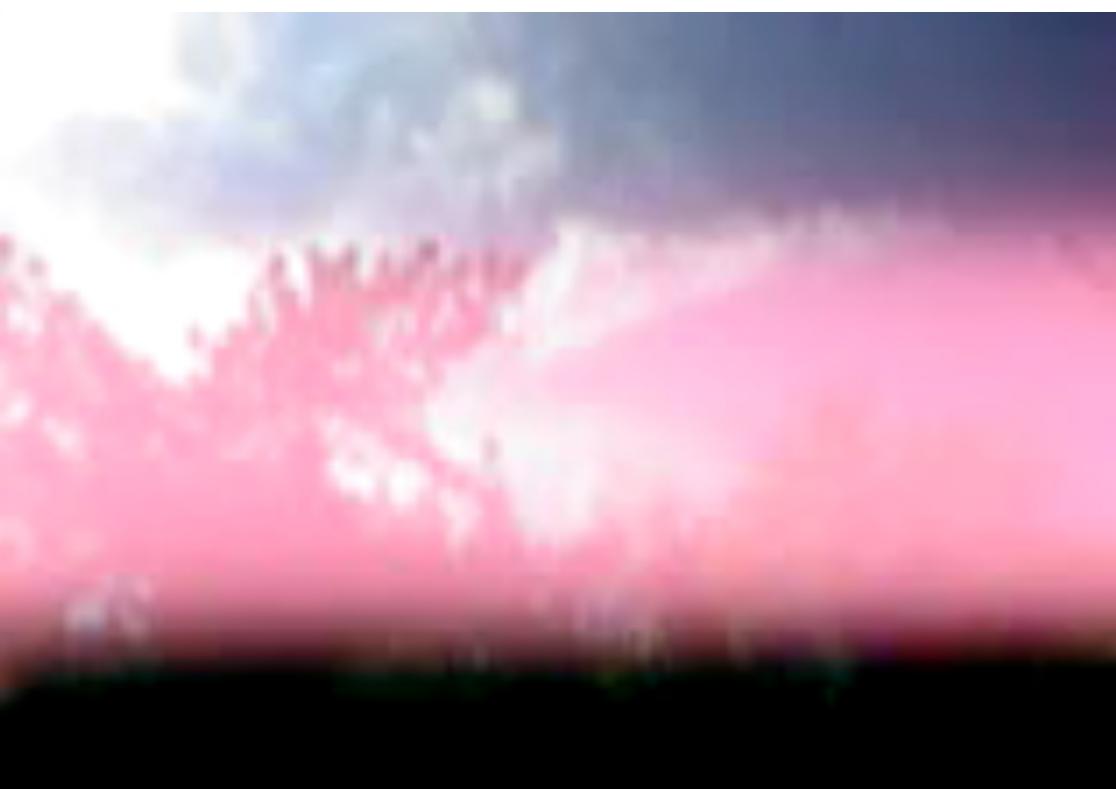

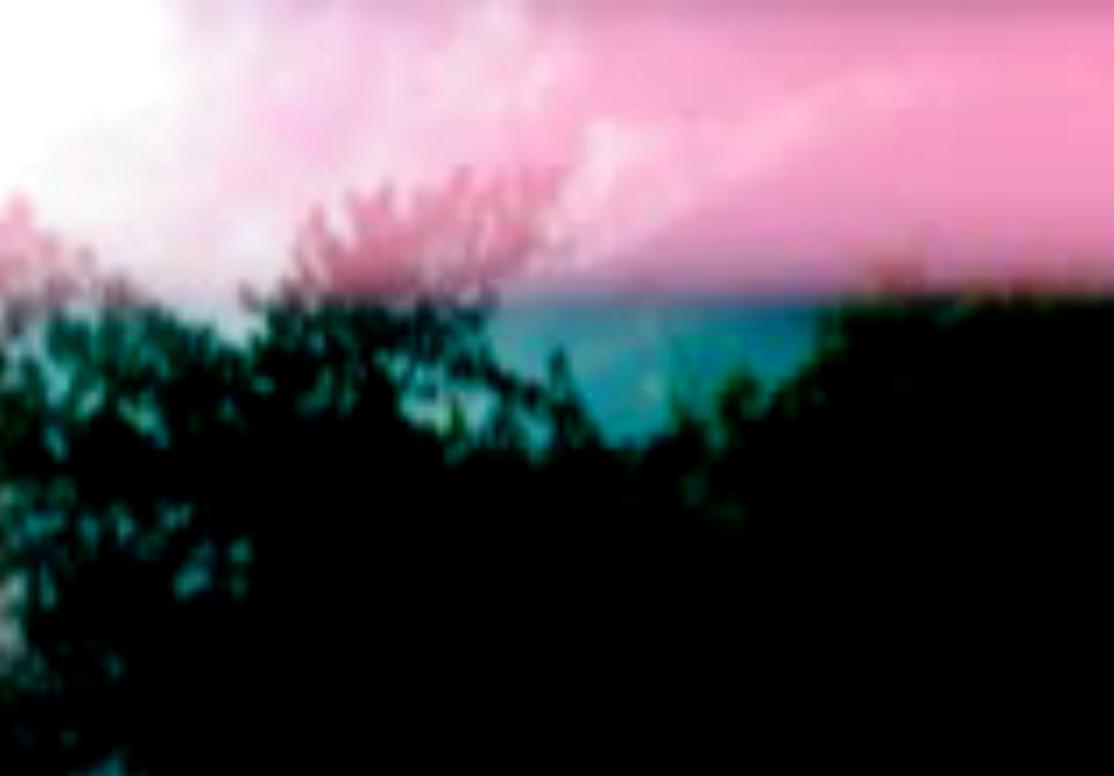

maybe unrecognizable

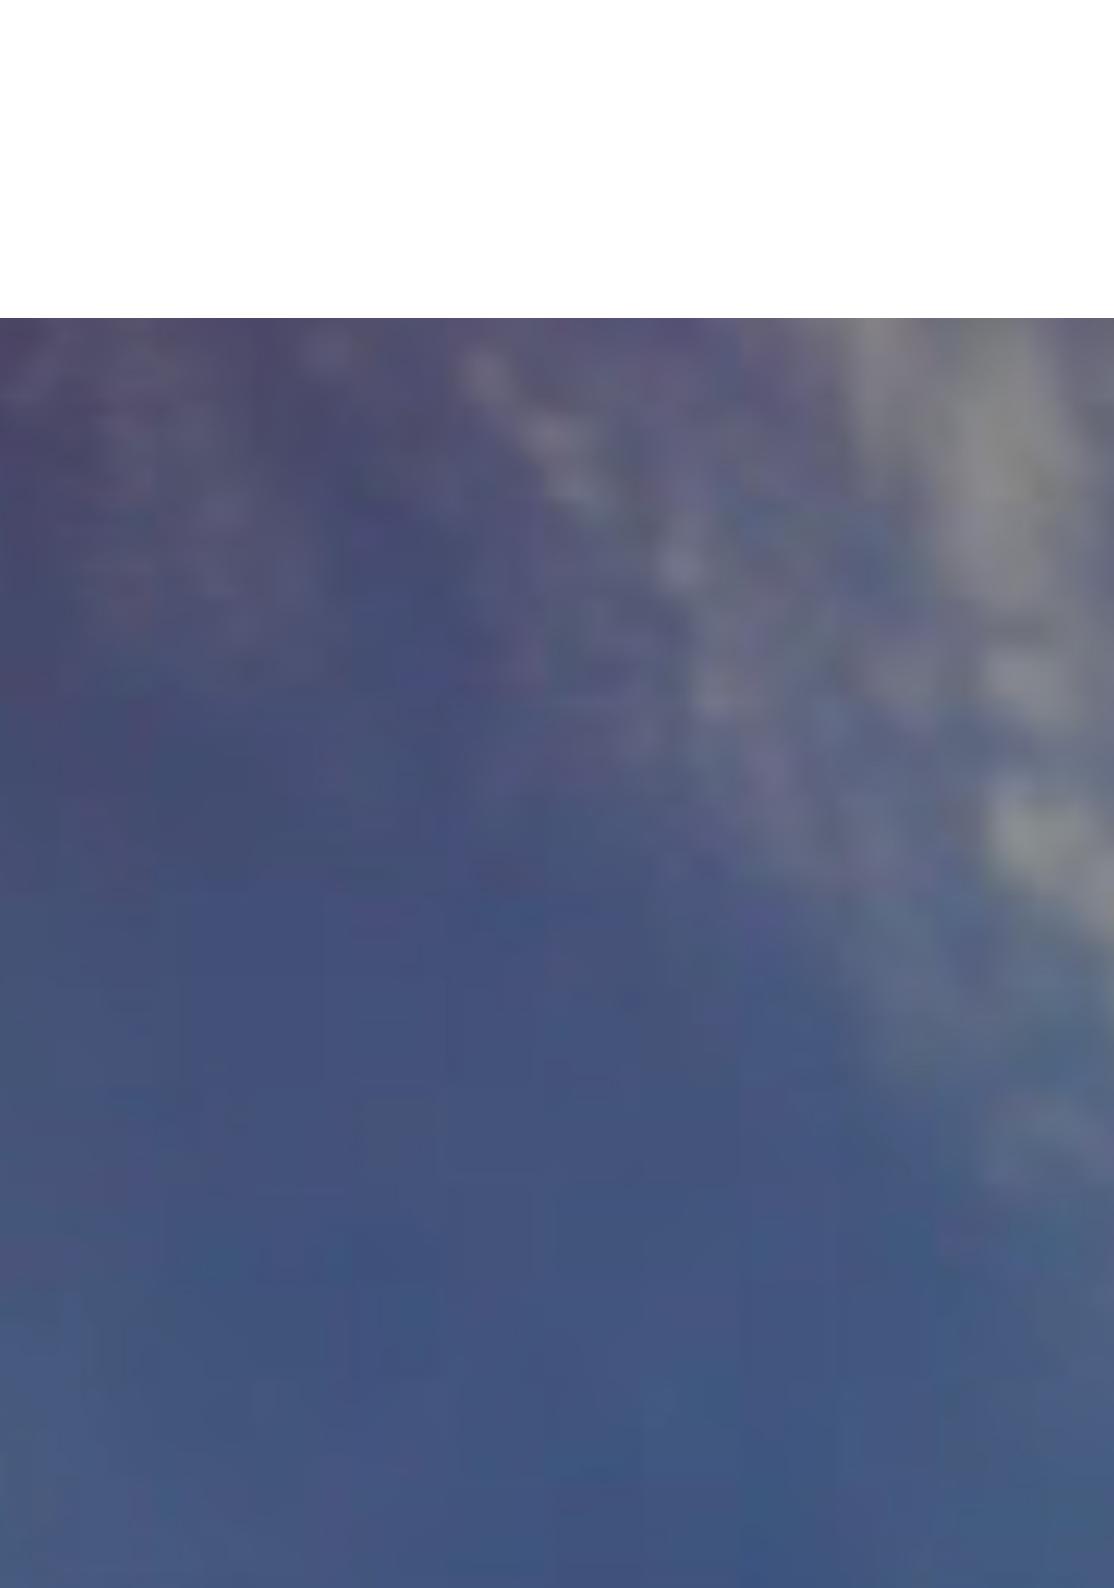

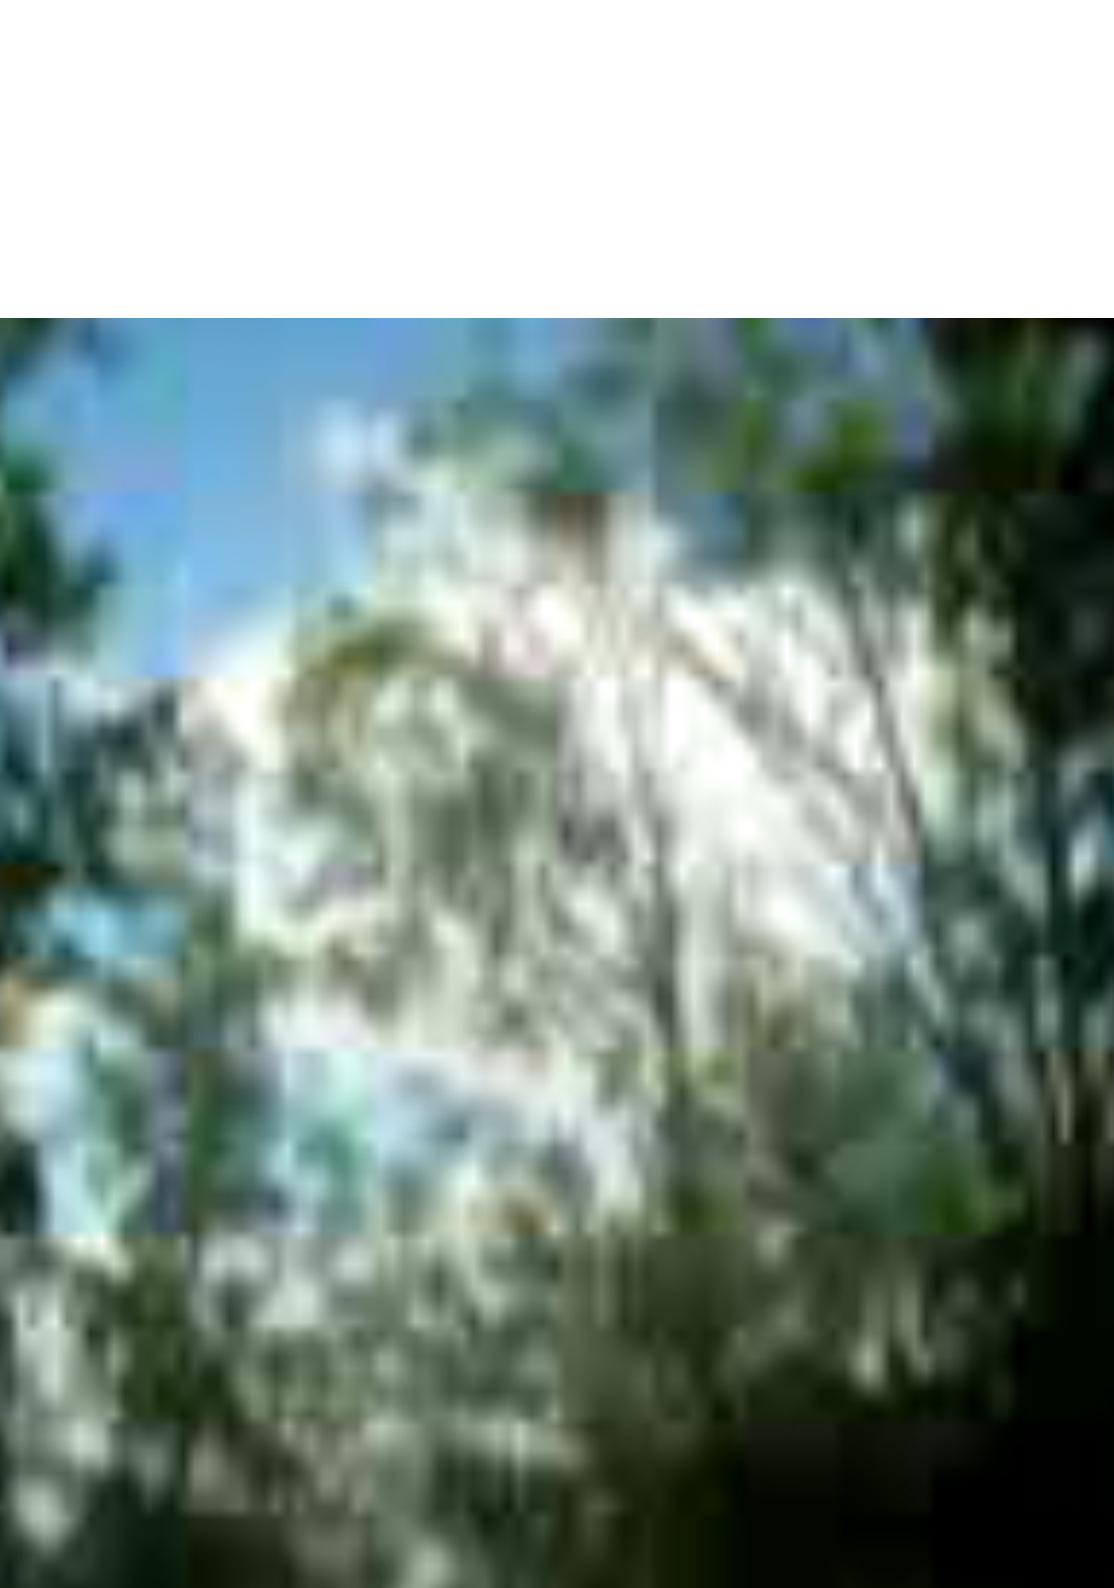

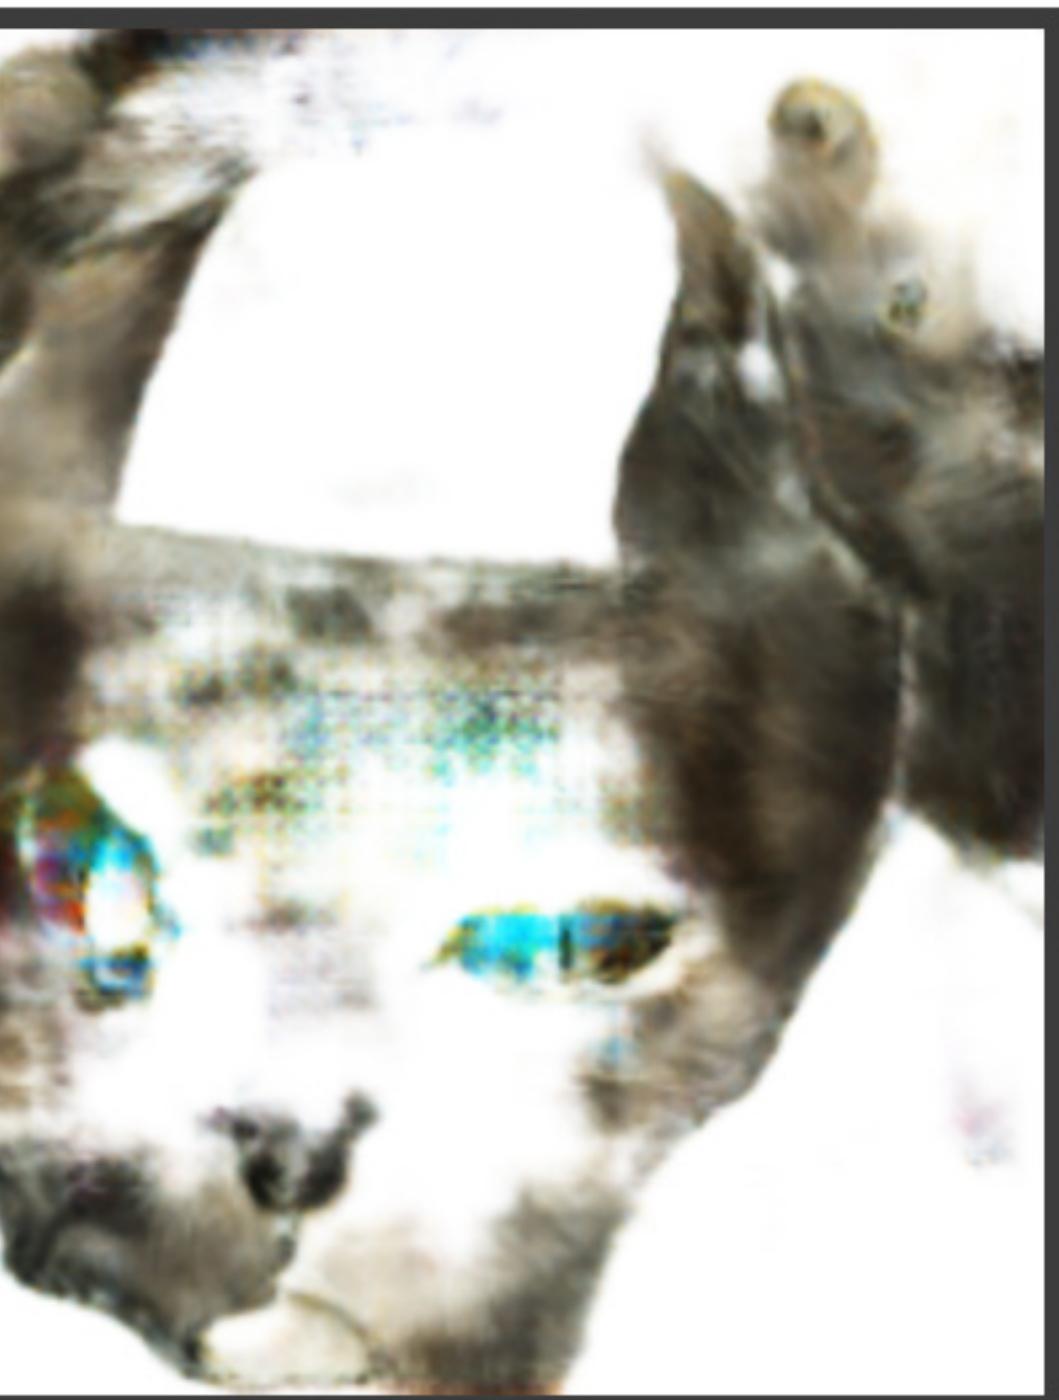

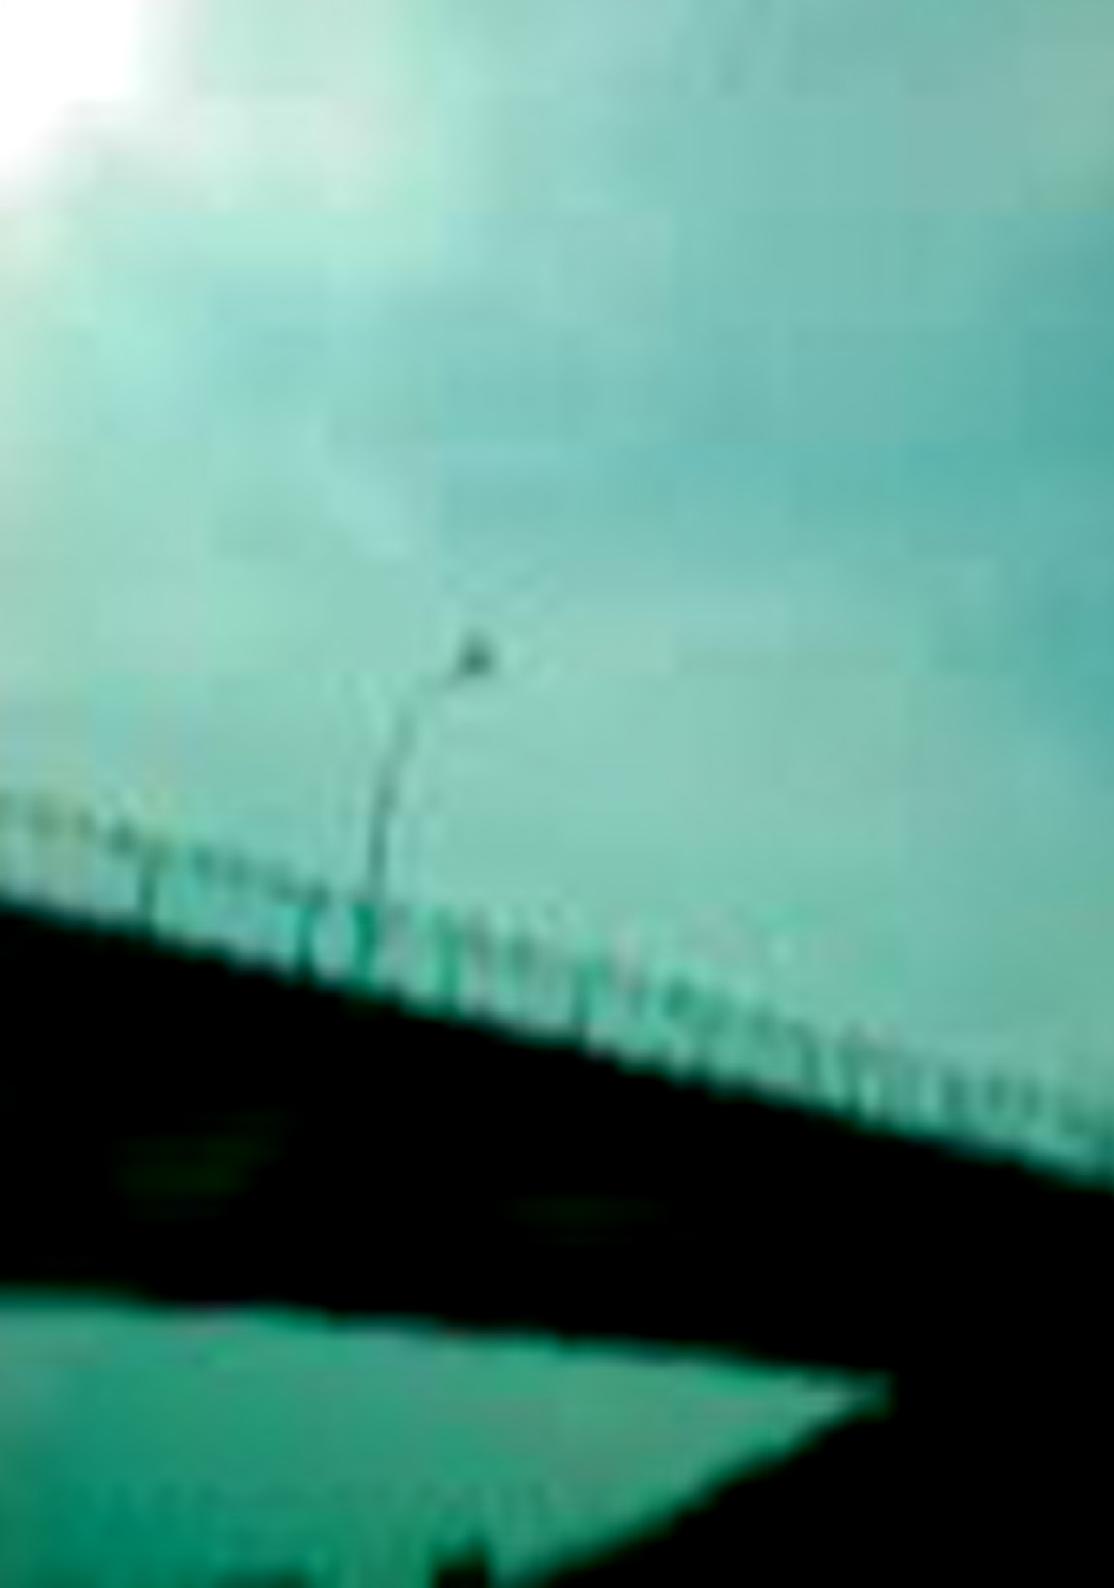

INPUT

OUTPUT

it is evolving into something

maybe unrecognizable

Fito is running through the fields, looking at the sun (only for three seconds)

EYES ARE GONE

nature is disappearing in squares, not a form of nature, please rescue this environment (not the
squares, don't kill the squares)

sky sky sky that cat sky sky sky shy that cat sky sky sky cat sky sky sky shy cat
sky sky sky shy that cat sky sky sky shy that cat sky sky sky cat sky sky cat sky sky
cat sky sky sky shy that cat sky sky sky shy that cat sky sky sky cat sky sky

sky sky sky cat sky
nature is disappearing in squares, ~~not~~ a form of nature, ~~please rescue this~~, environment (~~not the~~
squares, ~~don't kill the squares~~)

Maybe all is lost to squares and other things like symbols, like a lot of symbols, but I don't know that much actually
